Answering Pope Francis’ urgent call in Laudato Si’, I pledge to:

- Pray for and with creation
- Live more simply
- Advocate to protect our common home.

The Laudato Si’ Pledge is a global campaign by the Global Catholic Climate Movement and its member organizations to raise awareness about Pope Francis’ powerful, ecological focused message and encourage the Catholic community to take action with the urgency required by the climate crisis.
All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace.
